

Week of Kindness January 5-12, 2018

Dear Palm Pointe Families,

This year Palm Pointe is partnering with Salvation Army of St. Lucie County to help the less fortunate people in our community.

We are collecting new blankets for the homeless.

Our goal is to collect 500 new blankets. Please help this great cause so we can help those in need. Please bring in your blanket(s) between January 8-12. Palm Pointe will be presenting our "Blankets of Hope for the Homeless" to Salvation Army of St. Lucie County on January 12th at 2:00.

Remember, together we can make a positive difference. Thank you for your love and support.
