National School Lunch Program Applications

August 13, 2018

Dear Parent and/or Guardian,

Each year, Palm Pointe asks all families to complete a food service meal application form for the National School Lunch Program. This form must be filled out every year, even if you don't think your family qualifies. **Federal funding for Palm Pointe is attached to our food service meal applications. If your child is eligible for free or reduced breakfast/lunch, a new application must be submitted at the beginning of each school year or he/she will lose their status.** Because of this, we ask that you take a few minutes to complete the application online. A paper copy is available upon request if you do not have computer access.

Please only complete one application per family online, but indicate each child's name on this form and have one child return it to his/her homeroom teacher. The application can be found online at www.stlucie.k12.fl.us. Under the "Parents/Students" tab, click on the "Meal Application" link on the left sidebar. If you choose to complete this application on paper instead of online, please fill out below requesting a paper application.

Students should return this form, including the 5 Digit Code given once the application is completed online, by **Monday, August 20, 2018** to their teacher. Those students will receive a free dress code pass for **Friday, August 31, 2018**, once the application is verified. If you have any questions about the application process, please contact Della Myerez at (772) 345-3245 or Della.Myerez@stlucieschools.org. We appreciate your support of this important program!
