Dear Rocket Families,

As a Title I school, Palm Pointe Educational Research School @ Tradition creates and distributes a Parent-School Compact each year. The compact is reviewed and revised by the School Advisory Council, a group comprised of staff, parents, and community members to outline how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement. Please read Palm Pointe's 2022-2023 compact in its entirety, discuss it with your child, and then sign and return this form to your child's homeroom teacher by Wednesday, September 7, 2022.

Palm Pointe Educational Research School @Tradition pledges to:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:
 - Ensure that teachers engage in collaborative planning and implement instruction aligned to the depth and rigor of Florida's Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards.
 - Provide frequent opportunities for teachers to analyze data to inform instruction.
 - Provide opportunities for instructional staff to engage in professional development promoting effective teaching and learning practices.
 - Create a positive, supportive environment conducive to learning.
2. Hold parent-teacher conferences during which the intent of this compact will be discussed as it relates to the individual child's achievement.
 - The school will facilitate parent-teacher conferences at flexible times (before, during, or after school) at the request of the parent, teacher, or other involved stakeholder to discuss individual academic progress and/or related concerns.
3. Provide parents with frequent reports on their children's progress. Specifically, the school will provide reports as follows:
 - Progress reports will be available, at a minimum, every three weeks.
 - Parents may view Skyward to track students' grades between progress reports.
 - Teachers will notify parents when a student is in danger of failing, and a deficiency report will be sent home by the school.
 - Additional progress reports will be made available at the request of the parent.
4. Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents as follows:
 - Parents may request an in-person or virtual parent-teacher conference to discuss academic and/or behavior progress and concerns, and schedule it at a time which is mutually convenient for all involved parties.
 - Parents may communicate with school personnel by phone or email and expect a response within 24 business hours.
5. Provide parents with opportunities to participate in their child's classroom/grade level events, and to volunteer at the school.
 - Parents and families are invited to participate in school functions and classroom activities that specifically align to the school's Parent and Family Engagement Plan and will receive notice of such events.
 - All prospective SLPS volunteers must submit a volunteer application through St. Lucie Public Schools and receive clearance to work around students, including field trip chaperones.
 - The school will contact approved volunteers for opportunities to participate in school functions and/or grade level activities (parents may not serve as an official volunteer in their child's classroom).
