There is no supervision before 9:20 each day. Please allow your children to remain in your car until this time. Our school begins at 9:40 am

Here are some tips you can use to practice reading skills with your loved ones this Valentine's Day:

- Make homemade valentine cards and practice writing words, sentences and friendly letters. Use synonyms for the word love to help expand your child's vocabulary.
- Follow a recipe to make a valentine's treat together. Then you can enjoy your sweet treat together.
- Check out some books on topics your child LOVES and read them together.

The 2015 testing schedule begins with the Writing Florida Standards Assessment (FSA) in March with other content tests to follow. All students and parents are encouraged to visit the Florida Standards Assessments website for specific testing information, updates, and practice tests. The website is www.fsaassessment.org.

The following link provides specific and current information about testing:

We have been so pleased to see so many students participating during the Reading Takes You Places Challenge for the duration of the month. Let's keep it up as we enter quarter three and four! Keep up the great work!

Cold Weather Clause

When the temperature falls 50° or below K-5 students may wear dress code jeans, slacks or school approved skirt with leggings under.

Dress Code Outerwear

Properly fitting cardigans, sweatshirts, sweaters and pullovers in solid blue, gray, white, black and tan are allowed. Small prints in those colors will be permitted. All others will not be permitted while in the school building.

ESOL Corner: We will be having our annual Cultural Heritage breakfast on February 24th from 9:10 in the Launch Pad. We will be providing our ESOL families with valuable information about the upcoming Comprehensive English Language Learning Assessment (CELA) and the expectations for students. All ESOL families are welcome.

In conjunction with many activities to celebrate MLK, Palm Pointe students participated in Kindness Week.

- A door decorating contest was held for all K-8 classroom teachers and their students. The doors were judged on Originality, Creativity and Best in Show.
- A brick wall was built to represent the cooperative effort of a diverse community of people to create an environment of kindness. The various colors depict the elements of kindness. The silhouettes signify the multi-ethnic backgrounds of our students, staff and parental community. Students produced original work demonstrating their personal understanding of kindness.
- Throughout the week, teachers distributed Kindness Tokens to students when they saw a simple act of kindness. The goal was to get as many students to commit acts of kindness as possible.
- On January 15, 2015, the students and staff were invited to wear a solid colored tee shirt representing kindness.
- Red: Strength/Kindness
- Yellow or Orange: Friendship/Happiness
- Purple: Wisdom
- Blue: confidence
- Green: Growth and Harmony

PTO News

Thank you to all the families that came out to 5 Guys Burgers & Fries to support your PTO. Proceeds from this event will help fund the rewards that PTO provides during the Florida State Assessments.

With your financial support, the PTO was able to provide $50 to each of our teachers to be used for much needed classroom supplies. We were also able to reward each of our students with a “Student Appreciation Gift.” Your child(ren) should have come home with a 22 ounce water bottle.

We are still collecting TYSON A+ labels along with Labels for Education. As always please continue neatly clipping those Box Tops. The contest for the $25 ends 2/25/15. Winners will be announced March 2nd on the morning announcements.

SCHOOL ISN’T THE SAME WITHOUT YOU

Parents please remember that it is important for your child to be in attendance each day. Statistics show that regular attendance promotes academic and social success which will lead to continued success throughout life. It is the school district’s policy that written notes are provided within 3 days for an absence to be excused. In unavoidable situations, where your family must travel and your child has accumulated fewer than 10 excused or 5 unexcused absences, the principal can excuse the travel for 5 days or less. These situations will need approval in advance from Ms. Snyder in order to be excused. A written note or email will be acceptable. When a child has accumulated 5 or more unexcused absences in a calendar month, a meeting may be arranged to develop interventions that promote regular attendance.
